The contest will run for 12 weeks on Wednesday nights, with weekly winners who will compete in two final rounds on September 16, and September 23. Prizes will be offered weekly, along with Grand Prizes for the top 3 contestants to be chosen in a final round on September 23. Prizes will include recording studio time, performance opportunities, among other awards.

Contestants will be judged based on originality, musicianship, audience rapport and response, and overall performance skills. Genres include folk, Americana, blues, acoustic rock, country, Celtic, pop, and other acoustic styles of music. Contestants are encouraged to perform original material, but may perform other songs that will be judged on their ability to make a song "their own."
