

Clear Blue Ridge Sky

by Debra Lee

Carried away by a sweet fantasy
of lovers who meet in a Midsummers Dream
Flesh will connect in ecstasy
when passion runs high 'neath a clear blue ridge sky

Carried away by this deja vu
what fate can await the heart of a fool
who believes star crossed love reaches cross time
when passion runs high 'neath a clear Blue Ridge Sky

Carried away
on a wave of desire
it's energy flowing
a love so transforming and high
'neath a clear Blue Ridge Sky

Carried away by a song, troubador
sing, bring the music a key to the door
to open a heart pulsing and wide
when passion runs high neath a clear Blue Ridge Sky
